

Customers, we'll prepare your garden for winter.

FREE!

Dear John and Betty,

The cool, crisp fall weather is here. We love the smell of woodburning fireplaces at night – how about you? The change in seasons means it's time to put your garden to bed for the winter.

We would love to come out for free, and tuck your garden in. As an added incentive, we'll include a free small pumpkin, and a few gourds with our service, just like in the above picture. Nothing says "fall" like a cheerful pumpkin.
